Poetry Workshop

PDST is delighted to offer a two hour workshop which focuses on Poetry in all class levels.
This workshops will explore the various types, frameworks and language features of poems.
Activities will reflect both the content objectives of the 1999 English Primary School Curriculum and the learning outcomes of the new Primary Language Curriculum.
This workshop complements the one day seminar for the Primary Language Curriculum which focuses on implementing Oral Language.

"Teaching great poetry to students enhances their perceptions, improves their writing, challenges their minds and enriches their lives."

Janine L Certo

Please note that this workshop is suitable for all primary school teachers.
